

Rain Doesn't Stop Play in North Tyneside!

On July 18th North Tyneside Portage Service held a successful Summer Family event, despite wintertime weather! The venue was Kiki's Kabin in North Shields, a converted Church offering a soft play facility with cafe. Families were invited to 'Bring Dads along' to play and have tea! Thanks to the help and support of Nikki Gray, the owner of Kiki's Kabin, and all her staff the event was a great success. We were lucky enough to be one of the first groups to use the new ball pool and soft play, following refurbishment. The only thing they couldn't organise for us was the weather. The heavens opened into a torrential downpour just as we opened the doors!

We are a small service (currently visiting 30-35 families) so we were delighted that 8 Portage children, 6 siblings, 8 mams and 3 dads braved the weather to join us. Everyone had a great time and all agreed that we should make this a regular fixture on our Portage calendar. Plans are now underway for a Christmas Special!
